## Prayer & Bible Study Groups

As our church focuses on the power and necessity of prayer this month consider, how your small group can intentionally pray together. It's important to pray *for* one another and to pray *with* one another. This prayer guide and the pastor's sermons are intended to help you seek the Lord as we serve on mission in Oakway. Each week as your PBS group gathers, ask and discuss at least one of these questions and pray with one another.

1. Which prayer impressed you this week?
2. What are you praying for this week?
3. How can we pray for YOU this week?
4. What should our group be praying together for?
5. What should we confess in prayer?
